Owner Handler Exhibitor Eligibility

Unofficial/Exhibitor Eligibility

1. Exhibitors must declare their dog Owner Handled Competition eligible at the time of entry using the check box on the entry form (either paper or electronic). If the handler changes from the time of entry to exhibition, the exhibitor is responsible for advising the ring steward if the entrant is no longer eligible.
2. The handler must be an owner of record listed in the catalogue.
3. Professional handlers, household members and current assistants to professional handlers may not exhibit. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog.
4. Dogs must be handled by an owner-handler throughout the breed level competition for the regular show. This includes the class competition and subsequent competition in the breed ring. The same is true for all levels of group and show competition.
5. The Best OH in Breed will be selected from the eligible dogs that competed in the Best of Breed competition for the regular show.

Determining Best OH in Breed

The selection of the Best OH in Breed is held immediately following regular judging of that breed in the same ring. The ring steward will excuse all exhibitors not eligible. The judge will then award Best OH in Breed. Judging of the breed for the regular show may determine the dog that is awarded the Best OH in Breed.

Guidelines:

- If the Best of Breed winner of the regular show is eligible for Best OH in Breed it will also be awarded Best OH in Breed. In this case the dog will be eligible to compete in group competition for the regular show and group competition for Best OH in Group.
- If the regular show Best of Breed winner is not eligible for Best OH in Breed and the regular show Best of Opposite Sex is eligible, the regular show Best of Opposite Sex will compete against the eligible exhibits of the other sex to determine Best OH in Breed.
- If neither the Best of Breed nor the Best of Opposite Sex from the regular show is eligible for the Best OH in Breed and both the Select Dog and Select Bitch are eligible, the judge is to choose Best OH in Breed from the Selects and any eligible Winners Dog or Winners Bitch.
- If one of the Selects from the regular show is eligible for Best OH in Breed, excuse all eligible champions and then choose Best OH in Breed from the remaining eligible dogs of the opposite sex including the eligible Winners.
- If the regular show Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as the Best OH in Breed. If no dog remaining in the ring is eligible for the Best OH in Breed competition, no award will be made and there will not be representation in group competition for the Best OH in Group and Best OH in Show Competition.

In the Group and Best in Show competition, the dog must be handled throughout the competition by an eligible owner.

- Judging for the Best OH in Show will follow after regular Best in Show judging.
